Breakthrough HAM Order for WABAG

1st Order win on HAM Basis for WABAG, many more to follow suit

Association with globally recognized financial institutions as Equity and Debt Partners reiterates our commitment

WABAG remains Asset light and focuses on its core strength, ensuring significant presence in the fast evolving HAM Model; WABAG will partner with Financial Investors for the capital and continue to remain the technology partner

WABAG has introduced several first-of-its-kind technologies in India, and with concepts such as Resource Recovery and Water Reuse gaining momentum, WABAG will strive to bring the best of technologies for the Country

Hybrid Annuity Model - Future & Growth

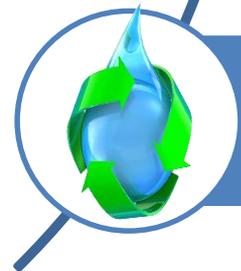

NMCG to expand its presence, replicating its model across 33 rivers under NRCD wherein HAM will play a major role in attracting private investment

Financial Model of HAM Projects and Terms & Conditions associated are fast gaining acceptance across Centre as well as States

Water now being considered as a priority sector → Government and Private sector Financial Institutions & ESG / Green / Sustainability Funds looking forward to invest through technology leaders of the segment

WABAG, with its advanced technological expertise & decades of experience, is a market leader in India, emerging as a preferred partner for reputed Global Organizations
